

MENTORING AWARD

2023 Application Council for Nail Disorders

The Award

Goal: Develop young leaders with investigative interest and expertise in nails through mentorship with established investigators [clinicians/ researchers/ academicians].

Approach: Foster mentoring relationships to encourage young investigators and clinicians (residents, post-doctoral fellows, and junior faculty) to acquire academic or investigative skills that will advance their careers as leaders in nail research.

The Selection Criteria & Guidelines

- a) Both the applicant or the proposed mentor must be members of CND.
- b) Mentor and applicant cannot be from the same institution.
- c) Funding may not exceed **\$500** per applicant.
- d) Applicants must submit a CV and a letter stating what specific goals he/she hopes to achieve with the mentoring experience and the expected duration of mentoring.
- e) Academic/leadership potential of the applicant must be demonstrated (either from the applicant's application or department chair's support letters).
- f) Budgeted items may include expenses related to travel specifically to the mentor locations and mini-research with the mentors. They may not include registration fees for meetings, travel to meetings, or equipment (cameras, computers) and supplies.
- g) Mentor must provide written acceptance of the applicant.
- h) An applicant's work is to be with one or two specific mentors, not with an entire department.
- i) A specific project to be undertaken should be specified. The project shall be presented at the CND Annual Meeting and ideally should result in publication.

Requirements

- a) The work shall be completed by April 3rd of the year in which the grant is awarded.
- b) 30 days prior to the start of the mentoring project, the applicant is to reaffirm the dates of the program with the CND office.
- c) Within 30 days of completing the approved project, the mentee is required to submit a written report summarizing the skills or knowledge acquired from this experience.
- d) Within 30 days of completing the mentoring experience, the mentor must also submit a follow-up report to CND.
- e) If an approved mentoring project cannot be completed as originally proposed, the awardee must immediately contact the CND office.
- f) The awardee shall present the results of the project at the CND Annual Meeting the year immediately following the grant.

Deadline: The completed application and supporting materials must be received by April 3rd, 2023. Awards will be announced at the **2023 CND Annual meeting** on June 3, 2023 and approved applications will be funded beginning in **July 2023**.
